My Favourite Local Takeaway: Golden Wok

[Review Headline]

By Jordan Bennett | Local Food Review

[Byline]

If you are looking for delicious, freshly prepared takeaway food in our town, I strongly recommend visiting Golden Wok on High Street. It is situated right in the town centre opposite the post office, which makes it very convenient to visit on the way home from work. My family and I have been ordering from them every Friday evening for more than two years. They also provide a reliable home delivery service that ensures your food arrives piping hot even on busy weekends.

[Location & Frequency]

[Delivery Service]

The food is consistently exceptional. They serve a wide range of authentic Chinese meals, including crispy spring rolls, aromatic duck, and my personal favourite, chicken chow mein with fresh stir-fried vegetables. Everything is cooked to order using quality ingredients, and the portions are always generous. In addition, the chef is happy to adapt recipes for dietary requirements, and the counter staff are always welcoming and polite.

[Helpful Staff]

I love Golden Wok because it provides unbeatable value for money while maintaining [Hygiene & Value]

top hygiene standards. The kitchen is visible from the counter and looks spotless,

which gives customers great peace of mind. If you want a tasty, affordable treat for

your weekend, this takeaway is definitely the best choice in our community. [Clear Recommendation]

Forum Topic: Who Deserves High Earnings? | By Jordan Bennett [Forum Header]

I have been following the debate between Frankie and Ash regarding celebrity salaries versus essential workers. In my opinion, Frankie is completely right: people who protect our communities and save lives deserve far higher earnings than sports stars or entertainers. [Clear Opinion] [Core Stance]

Nurses, paramedics, care workers, and firefighters perform vital, physically demanding jobs under immense pressure every single day. They work long night shifts, deal with critical medical emergencies around the clock, and risk their personal safety to care for vulnerable people. [Essential Workers] [Daily Sacrifices]

In contrast, footballers and pop stars earn millions of pounds simply for entertaining the public. While their talent is admirable, it does not keep society functioning safely during a crisis. [Celebrity Contrast]

Therefore, our society should reward those who make a genuine difference to public health and safety. Giving emergency workers higher salaries and better benefits would demonstrate true gratitude for their dedication and encourage more young people to enter these essential caring professions. [Societal Priorities] [Future Benefits]

EXAMINER ASSESSMENT & MARK ALLOCATION · TASK 2 — 15 / 15 MARKS

· Thorough prompt coverage: clearly states who deserves high earnings, gives convincing justification.

· Word count: 161 words (strictly meets 150 - 200 words). Highly articulate and persuasive tone.

Grid B: Spelling, Punctuation & Grammar (Max 6 Marks) — AWARD: 6 / 6

· Accurate punctuation: colons for explanation, commas in compound clauses, and capitalization.

· Flawless grammar: complex conditionals (would demonstrate, should reward), consistent agreement.

· 100% spelling precision (paramedics, vulnerable, functioning, gratitude, dedication).
