Sample answer: Pass

Gaming

One of the most enjoyable activities I do at home is playing video games.

ExecutionForce

I recently played ExecutionForce. The game involves hiding from enemies and sneaking up on them to attack them. There is also an interesting storyline: the main character tries to find his long-lost family, who were taken away when he was young.

A thrilling experience

The most enjoyable part of the game is the thrill of entering another world. It not only makes your heart beat faster because you are afraid of being caught, but also brings you great satisfaction when you succeed.

Conclusion

Overall, I think gaming is a fantastic activity because you can escape from reality and become a different person.

Subject: Poor Delivery Service

Dear Ms Jeni Myles,

I am emailing to complain about my recent experience using your delivery service.

Two weeks ago, I used your service to send a birthday present to my sister's house. Even though I sent the parcel a week in advance, it did not arrive until two days after her birthday.

As you guarantee 'superfast service', I expected my parcel to arrive on time, and I would like to be issued a refund for the inconvenience that your poor delivery has caused. Given that you offer a money-back guarantee, I hope that a refund will be sent more promptly than my sister's gift arrived.

Yours sincerely,

Iris Kissinger.
