PEARSON

Task 1

Information

You are aware that a 5p charge has been introduced in England to cut the number of plastic carrier bags given out each day by shops.

You read this comment in the Estrick Echo.

5p? Not for me!

When shopping recently, I purchased ten items and paid 5p for a plastic bag.

I understand that this charge may cut down bag use to help the environment, but I think it is unfair. Why should customers pay to advertise shops?

Perhaps these so-called 'bags for life' can be reused, but who wants to put new jeans in an old plastic bag? Small bags only hold one item yet still cost 5p.

I will now shop more online and save money on bags!

Writing Task

Write a letter to The Editor, Estrick Echo, Estrick, EK4 3KT, to give your views on charging for plastic bags.

In your letter, you should:

- state whether you agree or disagree with the views expressed
- explain why you agree or disagree with these views
- describe any changes you have made in your shopping habits as a result of the 5p charge.

Use sentences and write in Standard English.

Remember to set your letter out correctly.
