Information for the marker

- All marking must be completed consistently and the mark scheme must be applied fairly.
- Markers should award full marks if the candidate deserves full marks.
- Markers should be prepared to award zero marks if the candidate's response is not worthy of credit according to the guidance for that activity.
- Crossed-out work should be marked unless the candidate has replaced it with an alternative response.
- There are no marks for spelling, punctuation and grammar in Reading papers, therefore errors are not penalised.
- Unless indicated, quotations and candidates' own words are acceptable.
