Hi everyone,

I think that we should go to the zoo! It would be cool to learn about all of the interesting animals.

To get there, I could drive all of us. They have cafes at the zoo, but they're quite expensive, so I think that we should bring a picnic. If everyone is available on Saturday, we could meet at my place. Please arrive at 10am.

Here are some things I think we should take:

- A camera
- A picnic blanket
- Money for entry into the zoo (£14 each), and a small contribution to petrol costs
- Food and drinks
- Comfortable clothing and footwear

Word count: 103

Examiner comments:

- Appropriate response, tailored to the informal audience and purpose.
- Complex sentence structures are included, and they convey meaning clearly.
- Appropriate formatting and length.
- Correct use of a range of punctuation, including commas, exclamation marks and colons.

Subject: Home decorating volunteer application

Dear Bramby Community World,

I am a 19-year old local resident who wants to gain meaningful work experience by helping out in the area. I think volunteering is the best way for me to improve my skills and give back to my community.

I am especially interested in decorating the homes of elderly people in the community, who may not be able to paint their walls or hang pictures by themselves. I know that the elderly people who live here would be incredibly happy if their homes were given a new look.

Bramby Community World does so many fantastic things for our community, and I'd love to join your mission to help make Bramby a better place to live.

Yours faithfully,
Harry Tuller
