SG Buses gets new app

Stanton City Transport is proud to announce that we have released a new app (available on smart phone and tablet devices). Now you can pay for bus tickets ahead of time and simply show your phone screen to the driver when you catch the bus. Because free wifi is available on all SG buses, you will always be able to access your tickets onboard.

Tickets bought through the app are the same price as physical tickets. All discount rates apply, including concessionary fares for student riders (20% cheaper). Download the app from the App Store or Google Play. More details here.

Magical Lantern Festival transport

The Magical Lantern Festival (Stanton's famous light show) is back, and this year it's bigger and better than ever, with the event spanning two days rather than one! Travel to Stanton's Magical Lantern Festival with our Grouprider ticket, which is £10 for unlimited travel* from 09:30 on Fridays and all day on Saturdays for up to 5 people (minimum 1 adult, maximum 2 adults).

Customers travelling to the festival will receive a 10% discount on all fares.

*applies only in Zone 1 of Stanton City.

Closure of Lemway Bridge

Lemway Bridge has been closed by Highways England whilst their teams carry out repair work. This is a very busy road and its closure will cause severe delays. This is why we are introducing extra services on the affected lines, so you will never be waiting too long for a bus.

We will also be putting in place two additional temporary bus routes to help passengers travelling from town to the areas beyond Lemway Bridge, which will cross the Lem River via different routes.

Thank you for your patience and understanding during this period.

You're receiving this email because you signed up at sgbuses.co.uk. All email subscribers are entitled to 5% off weekend fares on SG buses.

About Us

Who are we?

LB Taxis has been run as a family business since the very first day we opened, and we see each of our valued customers as part of that family! We pride ourselves on giving customer care with a smile, which has seen the company develop into Stanton's most successful taxi company!

Why are we the best?

Using our advanced booking technology, we make sure our cars are dispatched promptly so they will arrive for our customer in the blink of an eye! We use smart technology to find the best ways to zip around bad traffic. While road closures will completely stop bus services in the city, our taxis will always find another route to get customers from A to B. There is no other company that cares for their customers like we do!

With our app, customers can:

- book a taxi in less than two taps
- control and track bookings
- make advanced payments before travel
- choose in-app payments on their phone or simply pay by cash.

Download the LB Taxis app: ITunes or Google Playstore

What services do we offer?

We offer packages for weddings and private events, which are designed to pamper our valued customers on their special day. We also offer fixed rates for longer journeys, and pick-up services for customers coming in from holidays or extended travel.

Find out more about all our services.

What's the cost?

Not only do our valued customers consider us the best taxi service in Stanton, but we're also the most reasonably priced! We offer special rates for disabled and OAP customers, and we also have deals aimed at families and businesses. Not only that, but we offer special prices for events in the city, such as transport to and from Stanton's Magical Lantern Festival. Find out more about all our discounts.
