Subject: Help Organising Our Charity Fundraising Day!

Hi Sam,

I am planning a Charity Fundraising Day at Oakwood Park on Saturday 15 November from 11:00 am to 4:00 pm, and I would love your help!

We are expecting around 80 guests, with a bake sale, a five-a-side football tournament, and picnic tables arranged around the main pavilion. Before the event, could you please help me contact local bakeries for cake donations and promote the event on social media?

On the day itself, it would be brilliant if you could run the welcome desk, hand out raffle tickets, and keep track of the tournament scores. All proceeds will go to our local animal shelter.

Let me know if you can join me for coffee this week to finalise the checklist!

Best wishes,

Chloe

HOW TO MAINTAIN YOUR BICYCLE IN FIVE EASY STEPS

Keeping your bicycle in top condition makes every ride smoother, safer, and cheaper. Follow these simple steps once a month:

1. Check Your Tyre Pressure: Squeeze both tyres—if they feel soft, use a pump with a gauge to inflate them to the PSI printed on the tyre sidewall.

2. Inspect the Brakes: Squeeze both brake levers firmly. The brake pads should grip the wheel rim cleanly without rubbing when released.

3. Clean and Oil the Chain: Wipe dirt off the chain with an old rag, then apply a thin drop of cycle lubricant while turning the pedals backwards.

4. Tighten Loose Bolts: Check that your handlebars, saddle, and wheel nuts are secure.

5. Test Your Lights and Bell: Ensure front and rear lights shine brightly before riding at dusk.
