Task 1

Information

The council has decided to create two new football pitches in the park and improve the existing ones.

Some people agree because:

- people of all ages love football
- it is good for health and fitness
- it helps team building and social skills.

Other people disagree because:

- the money could be spent on different things
- there will be less space for other park users
- there will be more noise and litter.

Write a letter giving your views on the council's plan.

Writing Task

Write a letter to Magda Novak, Head of Recreation, Council Offices, Kembleford KM3 7CS.

In your letter, you should:

- discuss the arguments for and against the council's plan
- give your opinion on whether the plan should go ahead and why
- outline your own ideas to improve the park.

You should aim to write about 250 to 300 words.

Kembleford KM3 7CS

Dear Ms Novak, [Formal Salutation]

I am writing to express my views regarding the council's proposal to construct two new [Purpose of Letter]
football pitches in Kembleford Park. On the one hand, many local residents support
this initiative because football is a popular sport that promotes physical fitness, [Positive Arguments]
cardiovascular health, and positive social teamwork among young people. Improving and
floodlighting the existing facilities would also provide a secure, supervised environment
for youth clubs to train safely throughout the dark winter months.

On the other hand, several valid concerns have been raised by local residents and park [Counter-Arguments]
visitors. Many elderly citizens and dog walkers worry that converting large grass fields
into enclosed sports pitches will drastically reduce quiet green space for daily exercise. [Community Concerns]
Additionally, hosting regular weekend matches could generate severe traffic congestion,
parking difficulties, noise disturbance, and unwanted litter across our peaceful [Semicolon ;]
neighbourhood. In my opinion, the council should not proceed with two full pitches; [Balanced Compromise]
instead, constructing one modern pitch alongside restored green lawns would strike a
sensible, fair balance between competitive sport and quiet public leisure.

Furthermore, I would like to outline constructive alternative park improvements that would benefit a wider cross-section of our community. The council could install an outdoor gym circuit for adults, upgrade the children's play area with modern inclusive equipment, and plant a community sensory garden with shaded wooden benches. These enhancements would make Kembleford Park welcoming and accessible for all citizens, regardless of age or athletic ability. I hope the recreation committee will take these local perspectives into careful consideration before reaching a final decision.

[Inclusivity Focus]

Yours sincerely,

Jordan Bennett

Subject: Recommendations

Hi Lucy, [Friendly Salutation]

I was delighted to hear that you have friends visiting Kembleford next weekend. If you are looking for memorable places to entertain them, I have two wonderful recommendations that cater for different interests and all weather conditions. [Opening & Context]

First, I strongly recommend visiting the St Jude Coastal Pier and Promenade. It is only a twenty-minute drive from town and offers breathtaking sea views, traditional fish and chip kiosks, and clean sandy beaches. Walking along the promenade is very refreshing, and there is a fascinating maritime heritage museum at the end of the pier that your visitors will thoroughly enjoy exploring. [Recommendation 1] [Pier & Museum]

Second, for an evening meal, you should definitely book a table at The Riverside Mill Restaurant in the historic quarter. They serve delicious, locally sourced meals at reasonable prices, including excellent vegetarian options. The dining room overlooks the river, creating a charming and relaxing atmosphere. Afterwards, you can stroll through the pedestrianised shopping square, which features lovely independent craft boutiques. [Recommendation 2] [Atmosphere & Food]

If you need convenient transport, there is a regular shuttle bus that runs directly between the town centre and the pier every half hour. I suggest checking opening times online and booking your dinner table well in advance, as weekend evening slots fill up very rapidly. I am sure your guests will have a fantastic trip!

Best wishes,

George
