Subject: Cooking with Selina

Hi Budding Cooks

Welcome to Cooking with Selina, a cookery course for everyone. This email is to give you more information about the course and some important instructions.

Q8a: Modern kitchen

Dates and times

The course starts next Thursday evening at 7 pm - please arrive early so you have an opportunity to meet other people and get ready to enjoy cooking in our state-of-the-art kitchen. We'll be there from 6.30 pm and you're welcome to come in and have a cup of tea before we begin.

What to bring

You'll need to bring the ingredients for the session's tried and tested recipes which are posted on the course website. Please bring a suitable container to take home the healthy dishes you've cooked, so you can share them with family and friends.

Dress code

Q9a: Heading

Wear comfortable, casual clothes - avoid long skirts, baggy sleeves, trailing scarves and crop tops. For safety reasons, please wear shoes or boots and not open-toed sandals. It's always sensible to bring an apron to wear when cooking.

Additional needs and food allergies

Q8b: Food reactions

If you have any additional needs, please let us know so we can arrange to meet them. Similarly, if you have any food allergies, we can provide recipes that have alternative ingredients or do bring your own recipes to share with others.

Plan for the evening

Q9b: Heading

Each session will start with a demonstration of a cooking technique and we'll then show you how to make one recipe using the technique. We'll also reveal how much money you can save by cooking this dish from basic ingredients. Most of the session will be hands on, with you doing the cooking, helped by our friendly support team. At the end, we usually taste everyone's delicious, wholesome dishes and take photographs before finishing at around 10 pm.

We very much look forward to seeing you at the first session.

Best wishes

Selina and the Team

MFS ACTIVE READING GUIDE · TEXT C (BLOG: QUESTIONS 10·15)

· Purpose: Sam's blog describing how the cookery course boosted his confidence and skills.

· Key: Crimson = Q10 ('nervous') & Q11 Dishes | Green = Q13 Informal ('C','D') | Gold = Q14 Equipment

Sam - King of the Kitchen

Q14: 'food processor'

My Dad had been nagging me to learn to cook for ages - he says making your own dinners is cheaper than getting takeaway pizzas, which is what I used to do, and better for your health. Eventually I signed up for a cookery course to keep him happy, though it occupied an entire evening a week. At the first session, I was incredibly nervous because everyone seemed very experienced. I could barely turn on the electric oven and had no idea how to use equipment like a food processor. I did manage to make pancakes, though.

Q14: 'electric oven'

The next thing I cooked was vegetable curry - it was ok but not spicy enough. Then we all did pasta dishes and my lasagne was pretty amazing. The best thing was you could select which recipes to make - and I learnt how to use a microwave properly.

I thought the teacher, Selina, was fantastic - the other people were a good laugh too - and I really enjoyed tasting different dishes. I even liked some vegan things other people cooked that I wouldn't have touched before. By the end I realised it is cheaper to make your own food - it tastes better and it's fun to do. I even got my head round baking a cake. Overall - a brilliant experience.
