MFS ACTIVE READING GUIDE · TEXT A (NOTICE: QUESTIONS 1·3)

· Purpose (Q3): Option D · To inform you about the new route for cyclists.

· Key: Crimson = Q1a/b (Wide/Blue in Bullet points) | Gold = Q2a ('linking') & Q2b ('promote')

Town's New Cycle Route

The new route for cyclists linking the local college with the shopping mall, railway station and town centre is now open. This is part of the council's plan to promote cycling and reduce the number of cars on the roads.

Q2a: 'joining'

Q2b: 'encourage'

The new cycle lanes are:

- extra wide
- separated from the road
- coloured blue.

There are also new signs for both cyclists and other road users. It is important to be aware of the changes to the road layout in the area to ensure the safety of everyone.

Your council – making things better for everyone

Article

MFS ACTIVE READING GUIDE · TEXT B (WEBPAGE: QUESTIONS 4·9, 15)

· Purpose: Promotes cycling (easy bike parking Q4, Bikeability Q5, headings Q9, health Q15).

· Key: Crimson = Q4 Bike parking | Green = Q9 Subheadings | Gold = Q8 Quotes | Navy = Q15 Health

Why not try cycling?

Good time to change

How can changing the way you travel improve things for everyone? Cycling is an excellent form of transport that has many benefits, for example increasing your fitness. With the opening of the new cycle route around town, there has never been a better time to start cycling.

Q8a: Bike path

Q9b: Heading

Good for the planet

Bikes produce absolutely no pollution and are much quieter than cars and buses. If more people cycled, there would be fewer traffic jams and everyone would breathe healthy air. What about parking? That's straightforward - you can fit ten bikes into one car parking space.

Good for you

People who cycle regularly are as fit as people ten years younger. Cycling can help to reduce the risk of illnesses such as heart disease and it increases muscle strength. It can also help to control your weight. What about other benefits? Cycling reduces stress – no need to hunt for a space in a car park.

Good for your bank balance

Q9a: Heading

What about costs? Once you have bought a bike, there are relatively few extra expenses - you don't have to pay for road tax or fuel. It costs around £50.00 a year to maintain a bike (much less than a car) and a bike can last a long time. You don't have to pay to park either.

Q8b: Look after bike

Good for carers and children

There are various ways to transport small children on a bike, for example by using special child seats. Cycling means you can park close to your destination - convenient if you have children. Once they are old enough, children can learn to ride their own bikes, following a programme like Bikeability, which teaches children how to cycle safely on roads. So why not take this opportunity to give cycling a go and help save the planet for future generations?

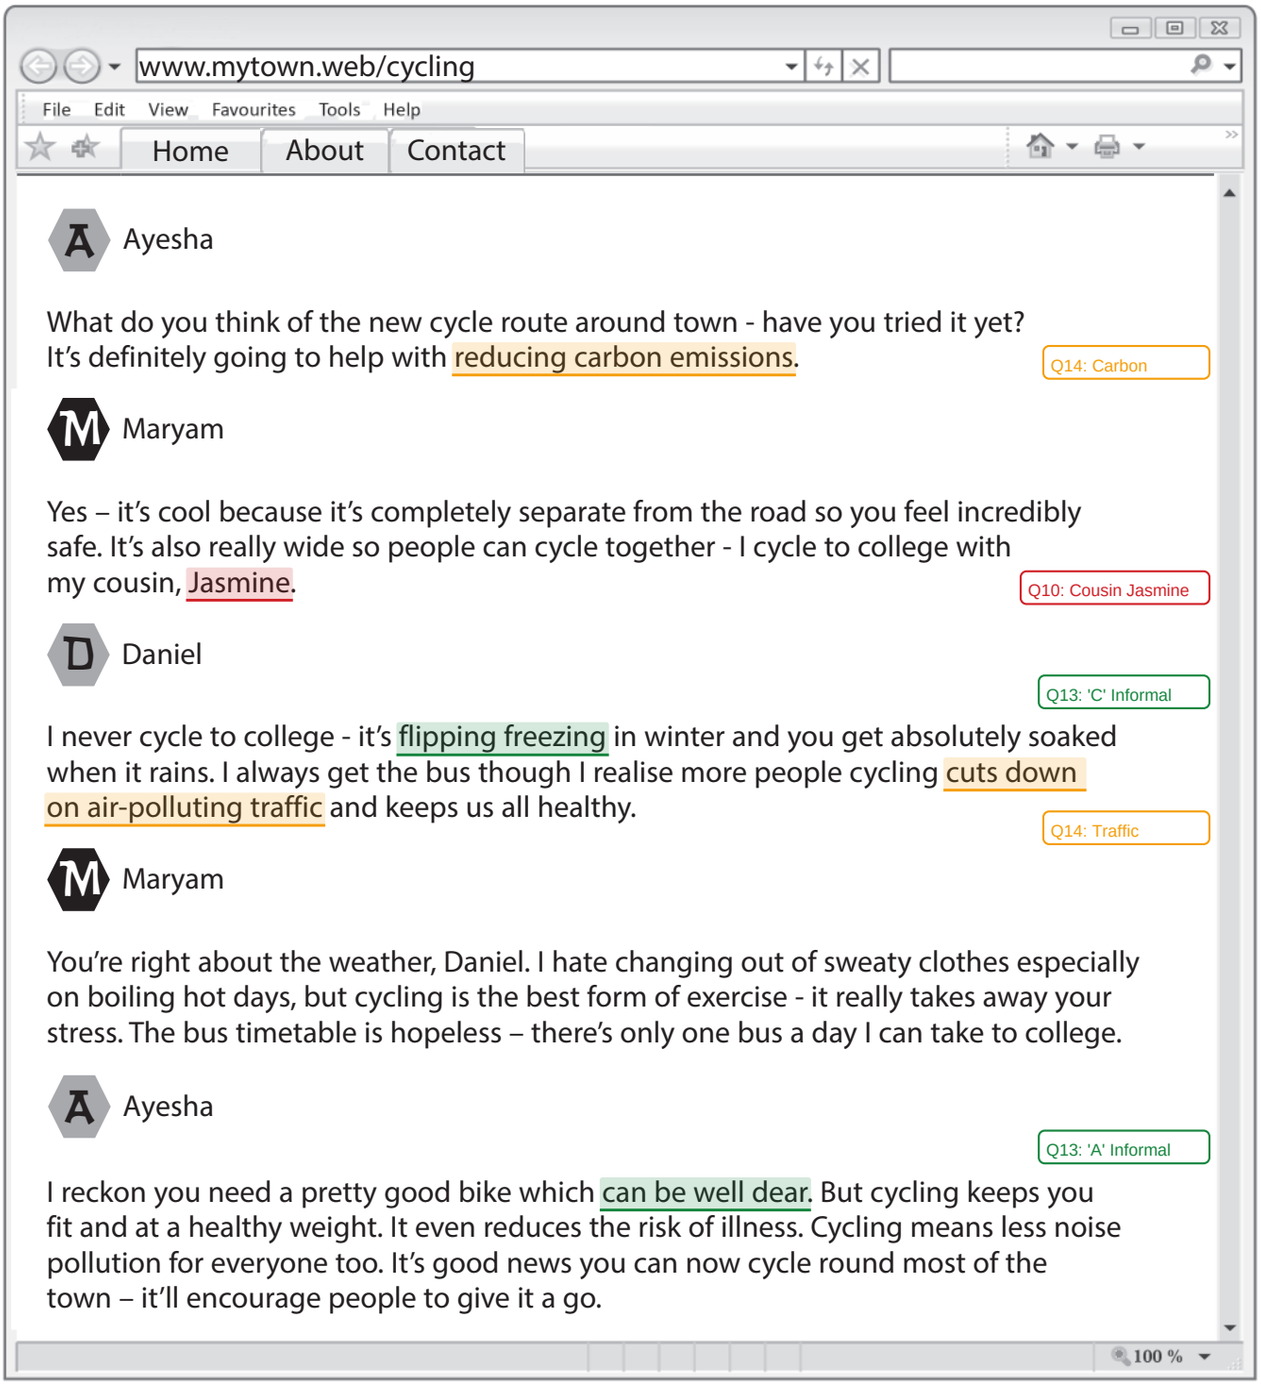

Text C

Discussion forum

MFS ACTIVE READING GUIDE · TEXT C (FORUM: QUESTIONS 10·15)

· Purpose: Student forum discussing cycling to college (Maryam & cousin Jasmine Q10, dislikes Q11).
