MASTER FUNCTIONAL SKILLS • REGULATORY GOVERNANCE (MFS-GOV-07)

Learner Complaints & Service Standards Procedure

Prompt, constructive resolution standards for queries regarding tuition, digital revision materials, customer support, and exam administration.

Document Reference	MFS-GOV-07	**Effective Date**	11 November 2026
Quality & Centre Lead	Abdul (Head of Centre)	**Regulatory Alignment**	Ofqual Centre Recognition Criteria (Customer Service & Complaints)

1. Scope & Distinction from Academic Appeals

Master Functional Skills aims to deliver responsive, supportive service to every independent candidate, parent, and employer partner. This procedure governs complaints regarding tuition quality, platform access, exam booking administration, or staff conduct. (Queries concerning assessment marks or Reasonable Adjustment decisions are handled under MFS-GOV-02: Candidate Appeals & Enquiries About Results Policy.)

- **Constructive Resolution Ethos:** Every complaint is treated seriously, confidentially, and without any adverse impact on the learner's ongoing tuition or exam support.
- **Single Point of Contact:** Complaints may be submitted via our Contact page (masterfunctionalskills.co.uk/contact-us.html), email, or WhatsApp support desk.

2. Three-Stage Service Resolution SLA

All service complaints are tracked in the Centre Complaints Register against clear response targets:

Resolution Stage	How to Raise	Acknowledgement SLA	Full Resolution SLA
Stage 1: Informal Frontline Fix	Email, Contact Form, or WhatsApp Support (+44 7564 525425)	Same / Next Working Day	Within 2 Working Days
Stage 2: Formal Written Complaint	Written submission marked 'Formal Complaint — Quality Lead'	Within 3 Working Days	Full written investigation outcome within 15 Working Days
Stage 3: External Awarding Body Escalation	Direct referral to Awarding Organisation (after Stage 2 completion)	Per Awarding Body SLA	Per Awarding Body Complaints Charter

3. External Escalation & Root-Cause Quality Improvement

Where a complaint relates to regulated qualification delivery and remains unresolved after Stage 2:

- **Awarding Organisation Escalation:** Learners are provided with direct contact details for Open Awards (or Pearson Edexcel / City & Guilds) Customer Compliance teams, having first completed the centre's internal complaints process.
- **Preventive Action Log:** Every upheld or partially upheld complaint triggers a documented root-cause action reviewed at quarterly Quality Assurance meetings.
