Subject: Bringing People Together

Dear Ashraf,
Can you remember the last time you went out into nature and interacted with the community? Our community really lacks connections between people and nature. My idea is to a community picnic in Weatherby Park, which will certainly improve these connections.

People of any age will be able to participate in the community picnic. It will be an important way for different groups to come together and socialise. Due to the large number of elderly people in the community, the picnic will be essential in combatting loneliness and isolation. My idea will give them the fantastic opportunity to pass on their wise words to different generations!

Not only will the picnic be a great way to socialise, people will get the chance to try a range of dishes from different cultures. We could ask the picnic goers to bring their favourite food, or a dish that has particular significance to them. In this way, my idea will celebrate nature and bring people together, allowing them to experience different cuisines.

I look forward to hearing from you,

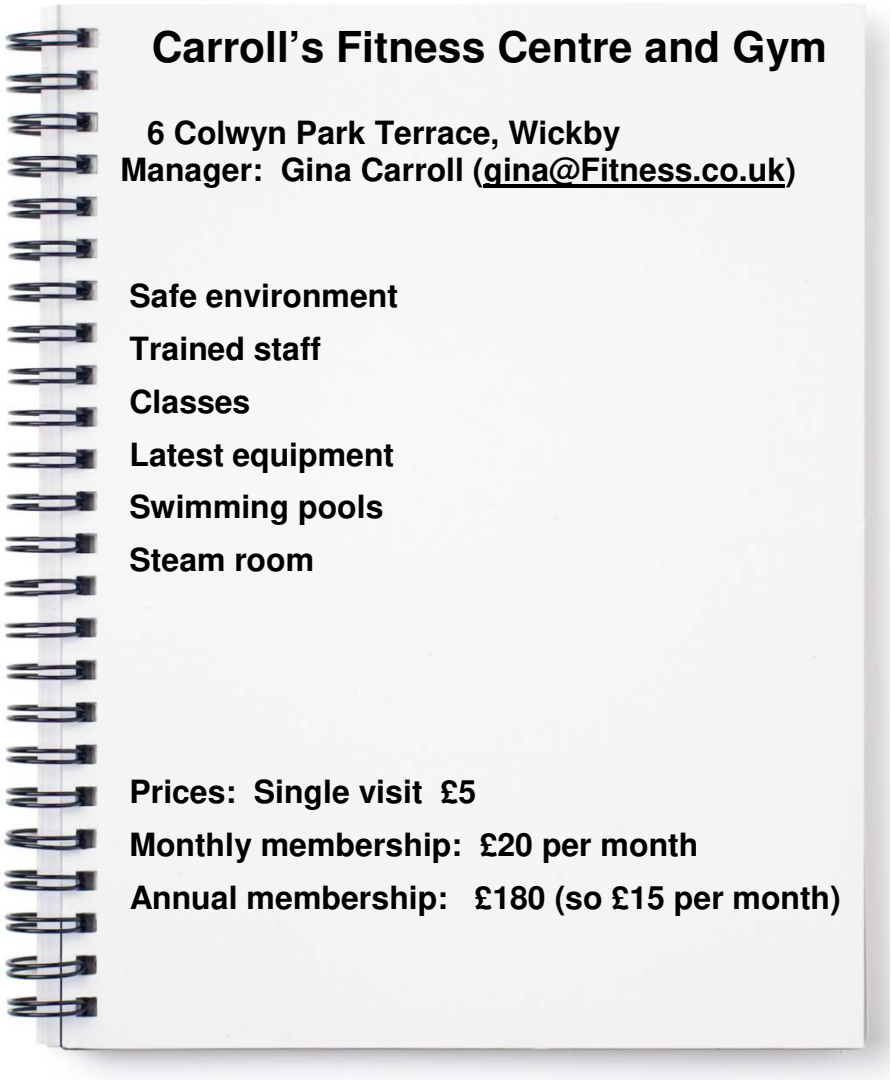

Yours Sincerely,
Aimee Leighton

Carroll’s Fitness Centre and Gym - Above the Bar-bell?

The new gym, Carroll’s Fitness Centre and Gym, opened last week and it has been a hit in the community. It offers multiple classes, a spa equipped with a steam room and a state-of-the-art swimming pool for only £20 per month. Don't worry if committing to a monthly membership is too much of a stretch - they also offer a day pass for just £5.

Why Carroll's?

Carroll's is a supberb and safe environment. You can use any of the lockers to store your belongings and there is CCTV in the car park. There are lots of well-trained staff who are always available to assist with any fitness-related queries you might have. I took part in the dance aerobics class.

It was a great workout. The instructor was incredibly friendly and went through all of the exercises at a pace that allowed everyone to keep up. In addition to dance aerobics, they also offer spinning, circuits and yoga.

Any drawbacks?
Drawbacks of the gym include a lack of a full range of dumbbells, missing kettlebells, and outdated yoga mats. These issues are a disappointment, as the gym promises access to the ‘latest equipment.’ In addition to this, it would be advisable for the gym to invest in a new cleaning team, as dirty towels were left all around the changing room.

I would recommend Carroll’s Fitness Centre and Gym to any beginner, due to the professionalism and warmth of the staff. However, if you are more into your fitness, perhaps consider somewhere with more equipment and an established set up.
