Task 1

Information

The council has decided to create two new football pitches in the park and improve the existing ones.

Some people agree because:

- people of all ages love football
- it is good for health and fitness
- it helps team building and social skills.

Other people disagree because:

- the money could be spent on different things
- there will be less space for other park users
- there will be more noise and litter.

Write a letter giving your views on the council's plan.

Writing Task

Write a letter to Magda Novak, Head of Recreation, Council Offices, Kembleford KM3 7CS.

In your letter, you should:

- discuss the arguments for and against the council's plan
- give your opinion on whether the plan should go ahead and why
- outline your own ideas to improve the park.

You should aim to write about 250 to 300 words.

Dear Ms Novak, [Polite greeting]

I am writing to share my views regarding the council's plan to build two new football pitches in Kembleford Park. On the one hand, many residents welcome this idea because football helps young people stay active, build stamina, and learn teamwork. Adding floodlights and upgrading the current ground would also give local youth clubs a safe, well-lit place to train during the dark winter months.

[Positive Arguments]

On the other hand, several valid concerns have been raised by nearby residents and park visitors. Many older residents and dog walkers worry that turning large open fields into fenced sports pitches will take away quiet green space for walking. In addition, weekend matches could bring heavy traffic, parking problems, loud noise, and litter to quiet residential streets. In my opinion, the council should not build two full pitches; instead, building one modern pitch while keeping plenty of open grass would strike a fair balance between sport and quiet relaxation.

[Balanced Compromise]

In addition, I would like to suggest other improvements that would benefit more people in our community. The council could install outdoor exercise equipment for adults, improve the children's play park with accessible swings, and plant a community flower garden with plenty of benches. These additions would make Kembleford Park welcoming for everyone, whatever their age or fitness level. I hope the council will think carefully about these points before making a final decision. [Alternative Ideas]

Yours sincerely,

Jordan Bennett [Formal Sign-off]

Subject: Recommendations

Hi Lucy, [Friendly greeting]

It was great to hear that you have friends visiting Kembleford next weekend! If you are looking for good places to take them, I have two great recommendations that suit different tastes whatever the weather. [Opening]

First, I really recommend heading to St Jude Pier and Promenade. It is only a twenty-minute drive from town and offers lovely sea views, classic fish and chip shops, and a clean sandy beach. A walk along the seafront is very relaxing, and there is an interesting local history museum at the end of the pier that your visitors will really enjoy. [St Jude Pier]

Second, for an evening meal, you should definitely book a table at The Riverside Mill in the old town. They serve delicious, fresh food at reasonable prices, with plenty of good vegetarian choices. The restaurant looks right over the river, which makes it a very pleasant place to sit. Afterwards, you can walk around the pedestrian square, which has some lovely independent gift shops. If you need transport, there is a regular bus that runs directly between the town centre and the pier every half hour. I suggest checking opening times online and booking your dinner table in advance, as weekend tables fill up very quickly. I am sure your guests will have a fantastic trip! *[Travel & Booking]*

Best wishes,

George *[Warm sign-off]*
