Adventure Island offers a wide range of attractions and entertainment suitable for all age groups. From exciting roller coasters and water rides to captivating shows and games, there's something for everyone to enjoy. Best of all, entry to Adventure Island is absolutely free.

To make the most of your visit and enjoy the brilliant rides, you will need to purchase a ride wristband based on your height. Here are the details:

RED band – Mini (1m or under)
GREEN band – Junior (1.2m or under)
BLUE band – Big Adventure (1.2m or over)

The wristbands are reasonably priced at £11 or £18 for the day, and they provide unlimited access to all the rides. It’s incredible value and means you can fully enjoy the day!

But Adventure Island isn't just about the rides. It's very well-run with plenty of dining options to satisfy your cravings throughout the day. You'll find a variety of places to eat and drink, ensuring that you have the energy to keep the fun going.

Adventure Island is not only a fantastic theme park, but it also offers the perfect opportunity to unwind by the nearby beach after an exciting day of adventures.

We can't wait to spend this exciting day together, creating wonderful memories with our colleagues, families, and friends. Please pencil it in your calendars, and stay tuned for more details and logistics as the day gets closer.

If you have any questions or need further information, please feel free to reach out to the organising committee. If you would like to attend, please reply to this email with your details, as well as how many people you want to bring with you.

We hope to see you there!

Activity 2: Write a report.
(Marks available: 20)

The trip to Adventure Island was a great success but the company has been going there for three years and they fancy a change of venue.

You have been asked to put forward some ideas for next year's summer outing in a report for your manager. The management team will make a decision on the outing based on your report.

Think about how you should set out your report.

In your report explain:

- what you are suggesting and why
- why it is a suitable choice for staff and their families.

One document has been provided. The document contains useful content for the activity. You may choose to select and use any of the material for your writing.

You may also use your own ideas to complete this activity.

Proposal for Next Year's Summer Outing: Change of Venue

Introduction

This report will outline my suggestions for next year's summer outing. After carefully considering various options, I propose organising a Family Fun Day at a new location.

Family Fun Day

I suggest organising a Family Fun Day at Fecclesbury Country Park. This venue offers a picturesque outdoor setting with lots of space for families. The park provides a range of recreational activities such as nature walks, playgrounds, picnic areas and sports facilities, making it an ideal location for a fun-filled day for all.

Nature and Relaxation

Many staff members and their families may appreciate the opportunity to connect with nature and enjoy a relaxing day outdoors. The country park offers beautiful natural surroundings, including gardens, lakes, and green spaces, providing a lovely atmosphere to unwind and escape from the daily routine.

The park's diverse amenities allow us to customise the Family Fun Day according to our preferences, and the interests of our employees and their families. We can organise various activities, such as sports tournaments, nature scavenger hunts, arts and crafts workshops, and even a mini carnival. This ensures that everyone can find something enjoyable to do.

Cost

Organising the outing at a country park can be cost-effective compared to other places. The park offers free access, allowing us to allocate the budget towards additional attractions, entertainment, or catering. For catering, I propose a barbecue.

I recommend that the management team consider this proposal, and I am available to provide any additional information or address any questions that may arise. I look forward to discussing this further and working together to plan a brilliant summer outing.
