25 years of incredible cupcakes!
Our organisation is celebrating 25 years since its creation! This is a momentous occasion for us as we are celebrating the history and legacy of such an amazing cupcake shop, which dutifully serves not only Leeds but surrounding areas like Harrogate and Bradford. To celebrate properly, we are taking the whole day on Friday to celebrate in style.

Key details:
Location: Dawlish Warren Beach
Date: Friday 27th May 2022
Time: 9am-5pm

Activities planned for the day:
We have multiple fun activities planned for this important event, starting with a trip to the beach during the day (with complimentary fish and chips!) to either have some fun paddle boarding or enjoy a relaxing sunbathe and beach games. A barbecue will then take place, with vegetarian and vegan options, and desserts will, of course, be available!

Where do you come in?
Well, besides turning up and celebrating… we could not have got to this incredible milestone without you, our colleagues and friends. Because of this, we are looking for you to send us some of your ideas as to what else you would like to do on the anniversary celebration day. Your opinions matter the most to us and we want you to know how valued you are as a team member. Remember- be creative! The budget for this celebration is not an issue as we are so proud of everyone for getting to this point - any and all ideas will be considered!

The drains outside your home are blocked. Every time it rains heavily there are serious problems for you, your neighbours and motorists. The situation is getting worse every time it rains.

Dear Sir/Madam,

I am writing to inform you of an ongoing issue with the drains to the front and rear of my house. Without fail, every single time it rains heavily, my house is virtually flooded and the problem is only getting worse with each shower of rain which, as you can imagine, is very often, given that we are in the UK.

My house is becoming increasingly water-damaged as this issue gets worse, meaning my three poor children have had to wade through the kitchen at times, due to the intensity of the flooding. On multiple occasions, human sewage has risen up to surface level from the drains which is not something I want my children to be exposed to! My floors have begun warping as they are wooden, costing me thousands in maintenance and repairs, let alone the eye-watering repainting costs.

Additionally, the issue has been impacting my neighbours too: sewage has been spilling into gardens and resulting in plant life being destroyed and pets getting sick, leading to more costs incurred through veterinary bills and replacing dead plants. As you can imagine, the emotional strain, caused by such a sudden financial burden out of our control, is enormous.

As a result of this, I am requesting immediate and effective action to be taken on behalf of my children and my neighbours. This inhumane situation cannot be allowed to continue.

Yours faithfully,
Jack White
