BEFORE YOU START

How a unit works

Every unit is a two-page spread. Learn on the left. Practise on the right.

Hi! I'm Priya. On the **left page** I explain one rule with a picture, a Golden Rule and a common trap to avoid.

Priya • your tutor

I'm Sam. On the **right page** I try the exercises. I write on the lines, then check the answers at the back.

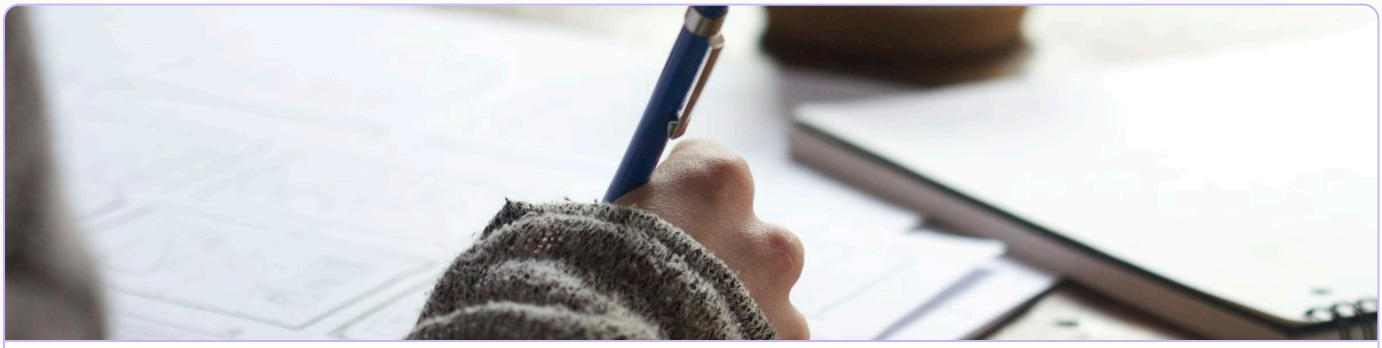

Sam • a learner like you

★ Left page = Learn

- **A** – the idea, in plain English
- **B** – the rule, step by step
- **C** – wrong vs right example

★ Right page = Practise

- **A** – tick the right answer
- **B** – rewrite the sentence
- **C** – write your own

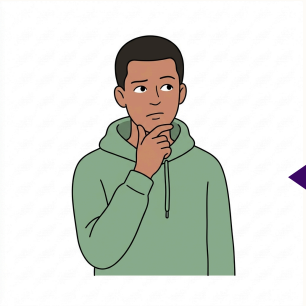

Little and often: one unit a day is better than five on a Sunday.

UNIT 12 • PUNCTUATION & SPELLING MECHANICS

Its or It's?

Sam

A The idea

it's is short for **it is** or **it has**.
its means **belonging to it** – like *his* or *her*. No apostrophe!

★ B The Decisive Test: Its vs It's

it's = it is / it has | **its = belonging to it**

Say **'it is'** out loud in the gap.

- If it makes sense, write **it's**: *It's cold in the server room.*
- If not, write **its**: *The firm changed its logo.*

✓ The 'It Is' Mantra

If you can't say **'it is'** or **'it has'** in that spot, rub out the apostrophe.

! Watch Out!

its' is never correct. It does not exist!

C × Wrong

The uninterruptible power supply failed because it's battery had reached the end of it's operational life.

✓ Right

The uninterruptible power supply failed because its battery had reached the end of its operational life.

IT technicians write reports where its / it's matters.

A Tick the correct sentence

1 Identify the sentence with 100% correct usage of its and it's:

- ☐ The server cabinet lost it's cooling fan, but its still functioning.
- ☐ The server cabinet lost its cooling fan, but it's still functioning.
- ☐ The server cabinet lost its' cooling fan, but its still functioning.

2 Which sentence demonstrates correct possessive usage?

- ☐ Each workstation retains its default network security configuration.
- ☐ Each workstation retains it's default network security configuration.
- ☐ Each workstation retains its' default network security configuration.

3 Select the sentence where 'it's' correctly represents 'it has':

- ☐ It's been confirmed that the data backup was successful.
- ☐ Its been confirmed that the data backup was successful.
- ☐ Its' been confirmed that the data backup was successful.

B Rewrite it correctly

4 **Insert 'its' or 'it's':** *The enterprise software updated _____ database automatically.*

5 **Insert 'its' or 'it's':** _____ *imperative that all passwords are reset every ninety days.*

C Your turn: Write two sentences about a work computer: one with it's and one with its.

UNIT 11 • PUNCTUATION & SPELLING MECHANICS

Apostrophes for Owners

Priya

A The idea

An apostrophe can show that something **belongs** to someone: *the manager's office* = the office of the manager.

★ B The Three Rules of Possessive Apostrophes

one owner: 's | **plural ending in s: s'** | **plural without s: 's**

- **One** tenant → the **tenant's** lease
- **Many** tenants → the **tenants'** committee
- **Irregular** plural → the **children's** play area, the **men's** room

✓ The Cover Test

Cover the apostrophe with your finger. The word on the left must name the **owner**.

! Watch Out!

Never use an apostrophe for a simple plural: *six pallet's* × → *six pallets* ✓

C × Wrong

All contractor's must park their vehicle's in the visitors car park.

✓ Right

All contractors must park their vehicles in the visitors' car park.

Signs, notices and contracts all use possessive apostrophes.

A Tick the correct sentence

1 Which sentence demonstrates correct possession for an irregular plural noun?

- ☐ The childrens' play area must be inspected weekly.
- ☐ The children's play area must be inspected weekly.
- ☐ The childrens play area must be inspected weekly.

2 Select the sentence that avoids the disastrous 'greengrocer's apostrophe':

- ☐ The warehouse received six new pallet's yesterday.
- ☐ The warehouse received six new pallets yesterday.
- ☐ The warehouse' received six new pallets yesterday.

3 Choose the correct phrase: *'The meeting will take place in the [___] conference suite.'*

☐ clients' ☐ client's ☐ clients

B Rewrite it correctly

_____

_____

5 **Make plural possessive:** *The rest room designated for teachers was repainted.*

_____

C Your turn: Write two rules for a staff room. Use *the manager's* and *the staff's*.

CloudCore Data Centre • Critical Systems Incident Report

System: Primary Hypervisor Cluster • **Incident Ref:** INC-8821

At 03:14 on Tuesday, Server Rack 4 triggered an automated alert because it's internal core temperature exceeded safe tolerances. The secondary cooling fan had lost it's power feed following a capacitor surge.

Its evident that preventive maintenance had been delayed during the previous cycle. Although the hypervisor preserved its' storage parity, database latency increased noticeably.

Its been agreed that a redundant cooling module will be commissioned immediately to ensure the server cluster maintains it's integrity.
