L2.7	Use appropriate phrases, registers and adapt contributions to audience	✔️ **PASS**	Constantin: Polite, professional tone throughout; avoided informal slang and stayed calm.

TASK 2: FORMAL GROUP DISCUSSION (15 MINUTES)

Topic: Should Companies Move to a 4-Day Working Week?
Pre-Discussion Research Notes: Prepared and verified for all 3 candidates beforehand.

Criterion	Subject Content Statement	Result	Assessor Detailed Commentary
L2.5	Communicate information, ideas and opinions clearly and effectively	✔️ **PASS**	All 3: Articulate, respectful spoken contributions; clear turn-taking throughout.
L2.6	Express opinions and arguments supported by relevant/persuasive evidence	✔️ **PASS**	Thomas cited UK pilot study (65% drop in sick days); Amara cited shift workers & school runs; Constantin cited warehouse fatigue.
L2.7	Use appropriate phrases, registers and adapt contributions to purpose	✔️ **PASS**	Respectful, professional register maintained; polite disagreement without speaking over others.
L2.8	Constructively contribute to a discussion, including moving it forward	✔️ **PASS**	Constantin built on Amara's fatigue point; Amara proposed optional choice; Thomas delivered final group summary.
L2.9	Make significant contributions to discussions on complex subjects	✔️ **PASS**	Analysed impact across office, retail, and warehouse sectors, balancing staff wellbeing against operational cover.
L2.10	Interject politely and respond to interjections	✔️ **PASS**	Thomas interjected politely ('Can I just come in

	appropriately	there...?'); Constantin accepted the rotating-day suggestion warmly.

FINAL ASSESSMENT OUTCOME: PASS (100% OF STATEMENTS ACHIEVED)

Lead Assessor Declaration: All three candidates (Constantin, Thomas, and Amara) demonstrated all subject content statements for Level 2 Speaking, Listening and Communicating across both tasks. In accordance with Pearson Edexcel assessment regulations, the assessor remained completely silent once each task began. Constantin independently chaired his own audience Q&A session without waiting for tutor prompts, and the group conducted their 15-minute discussion entirely by themselves until the assessment concluded and the Teams recording was stopped.
